THE ESSENTIAL GUIDE  
FOR WRITERS, EDITORS,  
AND PUBLISHERS

“For those looking to learn or reference the Chicago formatting and citation styles, *The Chicago Manual of Style* will always be the go-to resource. Despite each new edition’s growth in length and changes in content, the volume remains the same: the definitive—and only—guide to Chicago style. Given the print volume’s size and weight, the online version, with its additional features—many of which are freely available—is a good alternative for both brief and dedicated users who want portable access to the manual or who want to move beyond the content to engage with *The Chicago Manual of Style* community.”
